**“ON THE EDGE” STUNT SHOW**

A live all-action stunt show set on a location shoot made to look like a film set. Fights, High Falls, Trampette work, Acrobatics, Pyrotechnics and Replica Fire arms. Watch as the team show you how stunts are devised and choreographed before putting it all together in an intense chase and escape sequence. With the combination of music, narration and sound effects, this action-packed show gives you an inside look at men and women who risk their necks to make real movie magic.

Katie Ketchup, the Tomato Witch from Ketchup Castle, is fantastic for entertaining nine year olds and under. Katie is an experienced Children's Entertainer. Katy will include some magic, sing-alongs, balloon twisting and plenty of audience participation. Perfect for the young and young at heart.

A brilliant Show for all the family. Great comedy magic, balloon modelling and, of course the cheeky stork puppet 'Lewis' means laughter is guaranteed. It's fun & laughter all the way with this delightful 'duo'! A first class fun-filled family show from one of the countries top entertainers. An unusual combination of comedy magic, balloon modelling and ventriloquism with Lewis the 'stork', who will delight both children and parents alike. Plenty of audience participation.

Plus Mr Cheese, Redbornstoke Morris Men, Red Hot Chilli Pepper Salsa Team, Jazzercise, Flitwick and Amphill Sea Cadets.
